

J. B. Hixson, Ph.D. NotByWorks.org

## **BEING PREPARED** No | Potential Scenarios Natural disaster (real or engineered) 2 Civil unrest 3 Terrorist attack (real or false flag) Economic collapse Martial law/lockdown Food/supply shortages 6 7 Foreign attack Plan A: Hunker Down (Stay put) Crisis resulting in things like power outages or other disruption in normal routine 1 No imminent threat of danger to your life or home 2 Hunker down using emergency supplies as needed 3 Conserve energy, food, supplies in case things worsen 4 Stay alert. Be ready to shift to Plan B if needed. 5 Plan B: Head Out 1 Crisis resulting in danger to your life or home 2 The area is not safe. 3 Life likely will not return to normal anytime soon. Evacuate the area. Use your bugout bags. 4 Determine a designated rendezvous point or bugout place in advance. Plan C: Hole Up Most serious scenario 1 The area is not safe and you are in danger if found. 2 Flee to a secure place and lay low. Use your bugout bags. 3 Be prepared to protect yourself against intruders.

5	Be smart and flexible.
6	Lkely an end of the world as we know it (EOTWAWKI) scenario, at least for a long time

	Bugout Bags
1	The ultimate goal of bugging out is to leave a dangerous area as fast and as stealthily as possible.
2	Be packed and ready to go.
3	Have anything that you don't need in your normal day to day life already packed.
4	Use duplicates if feasible
	Family Meetings
1	Go over contingency plans.
2	Discuss rendezvous places, routes, scenarios.
3	Have a communication plan.
4	Have a plan if there is no way to communicate.
5	Brainstorm ideas.
6	Discuss concerns and fears.
7	Pray together.

	Building Community
1	What skills do you have to offer?
2	What skills are you deficient in?
3	Who do you know that can offset your weaknesses?
4	Make a list of people you can call on in a crisis. (MDs, farmers, plumbers, electricians, gunsmiths, etc.)
